SYSTEMIC INTELLIGENCE & ORGANIZATIONAL CONSTELLATIONS

Addressing underlying dynamics and restoring flow in companies and teams, using systemic intelligence and constellation work.

The complexity of business has accelerated. The interconnectedness and interdependencies in the business world have multiplied. So is the request for facilitators who have been trained in this field of Systemic Intelligence.® *'In this training I share and offer the FULL DOWNLOAD of my 22 years of systemic knowledge, experiences and insights to you.'*

Program starts October 6, 2025

PROGRAM CONTENT

MODULE 1: Systemic Intelligence®: The deeper foundation of systemic work and constellations

MODULE 2: The stance of the systemic facilitator/coach, becoming the cleanest vessel possible

MODULE 3: Reading the light lines: organizational and Systemic Intelligence®

MODULE 4: Collective and organizational trauma, collective resourcing practices and societal theme constellations

MODULE 5: Systemic work with teams, purpose, culture and Systemic Structure Constellations (Syst®)

MODULE 6: Systemic integration in organizational rituals

PAUL ZONNEVELD is a senior transformational faculty member in Mobius Executive Leadership and an anchor facilitator in our executive immersive sessions. He is a pioneering thought leader in applying the constellation method to teams, organizational systems and societal change and in his teaching offers a deep and nuanced understanding of the somatic, psycho-spiritual and collective dimensions.

Facilitated by Paul Zonneveld and guest faculty
